### 2008: Year in Review

## Making A Lasting Impact

As YMI comes up on its second birthday (March 22, 2009), it's time to look back and to thank the Lord for all He has done in and through this ministry. Just this last year, YMI was able to send 53 mission team participants to six different sites on four continents.

Those who went on these trips had an experience of a lifetime that caused many of them to rethink what they were doing to share the good news of Jesus Christ here in the United States. Most team members had a chance to tell someone about Jesus. In fact, for each person YMI sent, about 9 people made commitments to Christ. This not only impacted the communities and churches the teams served, but also impacted the

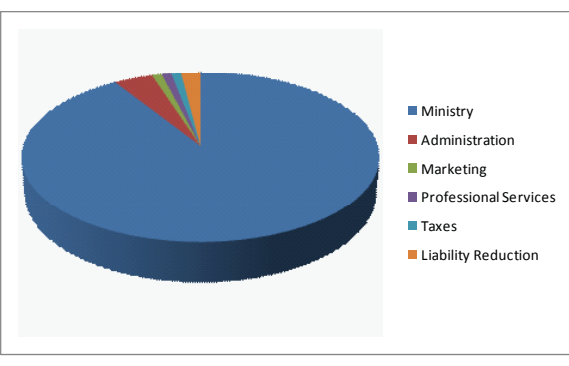

youth who went. We are seeing some of these youth now, in 2009, begin to take active roles in doing ministry locally at home. This is why we send teams.

God has called us to provide opportunities for youth to begin to live out an active faith, sharing Jesus with others. As we have seen, God is using YMI to do just that. For all of you who have financially supported this

ministry, know that your donations are making a real difference in the lives of the youth we work with and the churches and communities they serve. We appreciate your continued support as it is vital to our ministry as we move forward in the coming year. Together we can train and send even more youth to more locations in 2009 and beyond.
